The Ohio Achievement Assessment will be transitioning to computer based tests beginning in the Fall of 2014. Madison South Elementary just received two mobile computer labs that were purchased with Title 1 federal funds in preparation for this new challenge. The laptops are kept on custom designed carts and can be transported to any classroom in the building.

Parents Arriving During School Day

After signing for your child in the office, students must walk to class on their own without being escorted by their parent. Please understand that this is for the safety of our students and security of our building. Thank you for your help.

The Madison fire department recently stopped by Madison South Elementary to give a presentation to students. In this picture Mike Shears and Rob Dent are describing the different equipment located on a fire truck to students in Ms. Boli's class. Students had a chance to ask questions and understand how the fire department responds to fires.

Message From The Principal

Dear Parents,

A big thank you to all of your students who participated in the fall fundraiser! We raised $10,000.00 for our students at South. We are looking forward to Thanksgiving break which begins on November 21. Math Nights will be November 15th and 20th from 5-7 with prizes, food, and games for the whole family. Please sign up if you have not done so already.

As a reminder the Madison Music Club is taking orders for spirit clothing items. If you are ordering a shirt from the Madison Music Club, orders need to be turned in this Friday. Additional order forms can be picked up in the office.

Sincerely,
Chris Scholl *Principal*

The reward for staying on green in the Month of October was the "Fall Festival". Students in the picture above are enjoying a hay ride as part of the festivities.

Madison South Elementary Parent/Teacher Club

The next meeting is scheduled for Tuesday, January 8th at 5:30pm. There will not be a meeting in December. Special thanks to all those who supported our school and participated in our fundraiser!

Music Department Programs Next Month!

Mrs. Aron, Mrs. Weston, and Mr. Weston have been hard at work with our students in preparing next month's holiday concerts. In addition to the 5th grade, 6th grade, and steel bands performing, the 3rd grade will be performing "Elfis And The Elves Get All Shook Up". Come to the performance and see how Elfis and the Elves learn how other cultures celebrate during the holiday season!

MADISON SOUTH ELEMENTARY MISSION STATEMENT
