There will be an awards assembly at the end of each 9 weeks to recognize the academic success of our students in grades K-6. Criteria for awards at the end of the 1st 9 weeks included best effort, completion of homework, honor roll, and passage of last year's Ohio Achievement Assessments (OAA).

Special thanks to the PTO who served ice cream sundaes to students in grades K-2 who received academic certificates, and to students in grades 3-6 who made honor roll.

Thank You!

We are thankful for the opportunity to work with such wonderful students and families. The staff at Eastview Elementary would like to wish you all a happy and safe Thanksgiving Holiday!

Mrs. Walker and the 1st grade students have been working hard at rehearsals in preparing for their program entitled "The Share Bears" tonight at 7pm in the gymnasium. The storyline is about a kind and generous bear named Bailey who lives in Honey Hollow. Bailey learns through the generosity of friends that when you give, you receive.

Students are to report at 6:45pm to warm up and prepare for the performance. Good luck 1st graders, we are looking forward to your program!

Message From The Principal

Dear Parents,

We had a great turnout for parent/teacher conferences. The fact that there are so many families that take an interest in their children's academic progress is another great attribute of Eastview Elementary School! If you have any questions or concerns at any time during the school year, please don't hesitate to contact your child's teacher. If you are looking for general announcements and information on our school you can continue to read our monthly newsletter, check our website, or subscribe to our text list.

The Pilgrims and Wampanoag Indians celebrated the first Thanksgiving feast together in 1621. The Pilgrims had a great deal to be thankful for since they were learning to survive and have a successful harvest in a new land. Since that time, Thanksgiving has become the appropriate moment to reflect and spend time with those we love. Accordingly, this is a good time to teach our children about the benefits of being grateful for all the things and people in our lives. As our children are witnesses to the appreciation and thanks that we give as adults, chances are they will give this day the same importance we do and share it with their children as well. It becomes an appealing cycle that keeps us thankful for all that we have as an individual, family, school, state, nation, and world every year. Here is wishing that all of us can find time this Thanksgiving to appreciate and be thankful for all that we have.

There were 21 students who sold more than 20 items or more which earned them a limo ride to Golden Corral for lunch! Pictured above are students in grades 4-6 who are about to get into the limousine.

Additionally, there were 3 students pictured at left who sold more than 30 items which earned them more opportunities at rewards and prizes. Great job students!

PTO NEWS

-Thanks to all the parents who picked up the fundraising items on delivery day. The PTO was able to raise in upwards of $7,000!
