Middle: Emily Musgrove, Alyssa Gray, Karis Vega, Kaiden Jones, Kaylin Johnson, & Chris Lucas. Front: Autumn Schroeder, Kaydince Cheshire, & Evalynn Baer.

Message from the Principal

Dear Parents,
As hard as it is to believe, this school year is quickly coming to an end. Please be sure to remind your student to be on their best behavior so that they are able to attend the May green party and carnival. Orange letters should have gone home regarding volunteering for the school carnival. If you would like to help out, please send those in.
I am so very proud of the incredible amount of growth our students have made this year. Over the summer, please encourage your child to keep learning. The Madison Branch library has an excellent reading program where the students can earn prizes through logging their reading minutes and visiting the library. The library also offers some great programs that are free and very entertaining. In addition to reading a great book, encourage your child to download a cool math game on their device or visit a fun math website such as Sumdog or Funbrain. It is amazing how a little summer practice can make the transition to the next school year a piece of cake.

I hope everyone has a great and restful summer.
Sincerely,
Melissa Wigton

EASTVIEW TEXT LIST

If you have text service on your phone you can place yourself on the Eastview Elementary Text List to receive building updates and reminders. To get on the text list from Eastview Elementary simply send a text to **419-482-1735** and type in the in the following word: **@eastvi**

4th Grade Wax Museum

Last month the 4th grade students researched famous Americans. They dressed like their famous American and presented what they learned as though they were the exhibits in a wax museum. They impressed many with their presentations. Much was learned by all of the spectators that were lucky enough to attend. Great job, fourth graders!

Notes from the Office

*We have a few yearbooks left to sell in the office. They are $13.00.

Also, if you have medication in the office for your child, please pick it up after the last day of school and before June 4th. Thanks!

Shown below are the top three finishers from first grade for the district wide spelling bee. To the right is Evan Cyrus who earned second place at the bee. Great job, Evan! First to the left is Rudy Webel (Mifflin) & middle is Madison Berry (South).

Kroger Plus Card Contest

We are really trying to encourage all of our parents to register their Kroger Plus card for Eastview Elementary. This is such an easy opportunity to earn money for items needed for the school. To put the earning potential of this program into perspective, please consider the following: We have 345 students in our building. If all 345 students had a Kroger Plus card registered for our school and spent $100 monthly at Kroger we could earn $1,725 a month. This would be $20,700 a year. We are not even near this. For this school year we earned approximately $1,500. Please take the time out to register your card. You have nothing to lose and our building could have so much to gain.

Every student that brings in a receipt dated after May 1st or a printed page showing that they have re-registered their card by May 19th will earn a piece of duct tape to tape me to the wall. Remember to have aunt, uncles, grandpas, and grandmas register as well. The class with the highest percentage of participation will earn a pizza party. Thank you so much for your help!

Thank You, PTO

A special thank you to the Eastiew PTO for purchasing the 12X9 foot white screen that was mounted in the cafeteria. It will be put to great use! We really appreciate all that you do for the Eastview staff and students.

The next PTO meeting will be held on May 11th at 6:30.
