Parents Arriving During School Day

After signing for your child in the office, students must walk to class on their own without being escorted by their parent. Please understand that this is for the safety of our students and security of our building. Thank you for your help.

Congratulations to Tarynn Ball from Ms. Boli's class. Her artwork was selected as 2nd runner up for the Mid-Ohio Educational Service Center Art Contest. Her artwork was submitted this past October by Ms. Boli. As an awarded recipient, the print shop at Mid-Ohio ESC printed her artwork on the front of cards that were presented to her last week. Congratulations Tarynn!

Message From The Principal

Dear Parents,

Merry Christmas to all! We had a wonderful turn out for our holiday concerts. Thank you for the support of our students. I am impressed that we have so many talented children at Madison South Elementary. The Math Nights were a huge success as well, a big thank you to all students and parents who attended. Everyone have a safe and restful holiday break!

Happy New Year!
Sincerely,
Chris Scholl *Principal*

The reward for staying on green in the Month of October was "Minute To Win It". Students in the picture above are enjoying one of many activities that they could choose from where the goal was to complete the task in a minute.

Special News From Our Title Program

The Title I teachers are seeking interested parents and guardians to form a Parent Advisory Committee. This committee will build a partnership between parents and teachers to improve student learning. Parents will assist Title I staff with the planning of Parent Night Activities, the creation of a literacy resource room, and in encouraging other parents to become involved in student achievement.

Your child does not need to be a participant in the federally funded program, which is designed to assist students who are behind academically, in order for you to participate.

If you think you might like to join this committee, please contact principal Chris Scholl by phone or e-mail.

Thanks for your help!

Madison South Elementary Parent/Teacher Club

The Madison-South Parent/Teacher club is very proud of our staff and students for achieving an "Excellent" rating on the State of Ohio Report card. To reward them for their hard work the PTC has ordered t-shirts for all the staff and students. The t-shirts will have "Madison South" and "Excellent" on them so everyone will know that our school and our students are Excellent!

Mrs Barker would like to thank all the parents and students who purchased books from the recent bookfair. We just received $3800 worth of books for our library that were purchased with profits we earned from this bookfair. A special thanks to the parents and retired teachers who came in and worked at the bookfair. Your help is always appreciated!

MADISON SOUTH ELEMENTARY MISSION STATEMENT
