With the colder weather comes an increase in the number of colds and viruses that children get. Please don't send your child to school if he/she has symptoms. Additionally, if a student is sent home with a fever, he/she cannot return to school for 24 hours. Thanks for your help and understanding!

During times of inclement weather, stay tuned to WMAN am1400, and WMFD channel 15 for the latest information regarding school delays, early dismissals, and closings. **As a reminder, when school is on a 2 hour delay, students cannot be dropped off before 10:30, and breakfast is not served at school.** Please plan accordingly so your child eats before they arrive at Madison South Elementary.

Free tutoring services are available for students attending Madison South! If transportation is a problem, these services can also be provided in the home. Call Mr. Muro for information or questions.

Do you recognize these people? It is the "Cat In The Hat" (Mr. Parsons) and Rion Shultz. Now where is "Thing One" and "Thing Two"?.....

We celebrated Family Math Night on Tuesday, December 6th. There were many activities for parents and students to be a part of that revealed our Math Curriculum and developed partnerships with our school community. Mrs. Burdine (in picture) as well as other teachers engaged students with Math games.

Message From The Principal

Dear Parents,

Merry Christmas to all! We have had a wonderful turn out for our holiday concerts. Thank you for your support of your students. I am impressed that we have so many talented students. The Parent Title and Math night were a huge success as well, a big thank you to all students and parents who attended. We are busy planning a Write to Read Week that will be in January the week of the 23rd. At that time the parents club will be sponsoring the JJ Brothers, they are authors of children's books and will have two assemblies for our students on January 26th. Everyone have a wonderful holiday break.

Happy New Year!

Sincerely,
Chris Scholl

Fourth Grade students Zachary Isenhardt, Mackenzie Harvey, and Hunter Smith from Mrs. Vetter's class were studying volcanos. The lesson included pumping air into a 2 liter bottled filled with styrofoam packing chips and having it spray out the top emulating the physical attributes of an actual volcano.

Students like Ryan Warner get to enjoy turkey bowling as part of their November behavior award. Students who stay on green all month receive special privileges to participate in fun activities such as this.

Student Council is coordinating a door decorating contest. The creative expressions have been very impressive!

Incentives for our fundraising campaign included participating in the “Money Machine”. In this picture Luke Cyrus-Hollinger is trying to grab as much fake money as fast as he can. Afterwards, he can cash in the money for a prize!

MADISON SOUTH ELEMENTARY MISSION STATEMENT

“Our mission is to create a safe and nurturing environment that addresses the unique needs of students, while preparing them to make responsible choices as lifelong learners.”
