Message from the Principal

Dear Parents,

It is hard to believe that we have ended the first quarter already. Grade cards went home on Friday. Please remember that Parent Teacher Conferences are on November 6th and November 11th from 4:30-7:30. Please make every effort possible to attend one of these conference nights as it is very helpful for parents and teachers to work together to ensure the success of each and every child. In addition to attending conferences, it is also very important that you stay informed through Progress Book. If you have any questions using or logging on to Progress Book we are more than happy to help you out. On both conference nights, Mrs. Walker and Mrs. Conway will be set up in the lobby to address any questions and will help as needed.

With the arrival of fall, the weather is quickly cooling down. Please be advised that recess will be outside if at all possible. Students should dress for the weather which includes their coat, a hat, and gloves. If you need a hat or gloves please let us know as we still have some in the building that were donated to us last year.

Sincerely,
Melissa Wigton

Parents:

Please be advised that the cafeteria is only able to accept cash and checks. If you would like to pay for lunches by debit or credit card, you may do so from our school website with PAYFORIT.NET.

On October 7th, the students learned a valuable message of **N**ever give up, **E**ncourage others, and **D**o your best during the NED show.

On October 9th, Miss Crunkilton's class read poetry for the Madison Senior Citizen luncheon at the high school.

On October 10th the Madison Fire Department came to share fire safety and prevention tips to our K-3rd graders.

Shown to the right is Miss Shepherd's class typing their stories in our computer lab. Currently Eastview has two computer labs and three mobile computer carts in the school. These computers are helping our students to learn skills that are needed for the new generation of assessments.

On the Fridays in November and December, Eastview in Action will be hosting hat days and pajama days. Students will be able to pay 25 cents or a donation to participate in these activities. All money raised will go towards helping Eastview families for the holidays. We will start this Friday, November 7th with a hat day.
