A Note for Third Grade Parents….

Your student will be taking round one of the AIR Language Arts test on **Monday, December 7th and Tuesday, December 8th**. This test is part of the Third Grade Reading Guarantee. Because of the importance of this test, I encourage you to ensure that your child has a good night's rest prior to each testing session, eats a good breakfast, and is on time to school. This test is given again in the spring so that the state can see the academic progress of your child. Your child will need to meet determined criteria in order to proceed to fourth grade. Because this is the first year for the AIR exam to replace the Ohio Achievement Assessment, that criteria is yet to be determined. I will do my best to keep you updated as new information is received from the State. Thank you in advance for all you do at home to support your child's education.

Read-A-Thon Success!

A huge thank you goes out to all of you who participated in our first ever Read-A-Thon. With the help from the funds raised from the Read-A-Thon, parents volunteering for bingo, and Mrs. Richards Zoo grant…all students will be taking some type of field trip for the 2015-2016 school year.

- Kindergarten-Zoo Trip
- First Graders-Junie B. Jones at the Renaissance
- Second Graders-The Nutcracker at the Renaissance
- Third Graders-Environmental Classroom
- Fourth Graders-Ohio History Museum

Thanks again, Parents, for all you do!

Congratulations….

*To Destini Conrad who was the top salesperson for the fundraiser and earned money and gift cards for Chuck E Cheese.

*To Tyler Batcheller who won the fundraiser drawing for Kalahari.
