Secretary – Lynette Keiser

Math Night

On March 19th we are planning to have a family math night. This will be a fun night with games and prizes. We will provide dinner and hopefully any answers to questions you may have regarding our Everyday Math curriculum. If you have ever said, "I don't understand how they teach math these days", you'll want to be there! Please be sure to turn in the form with your child so that we can have a good count for food planning purposes. Hope to see you there!

MARCH

3-Parent/Teacher conferences 4:30-7:30

EASTVIEW TEXT LIST

If you have text service on your phone you can place yourself on the Eastview Elementary Text List to receive building updates and reminders. To get on the text list from Eastview Elementary simply send a text to **419-482-1735** and type in the in the following word: **@eastvi**

Message from the Principal

Dear Parents,
I would like to thank everyone who helped give to Pennies for Pasta. Our school raised an impressive $2,297.66. The top three classes were Mr. Gordon's class with $217.77, Miss Powell's class with $258.92 and Mrs. Gay's class with $414.91. Mrs. Gay's class will receive a catered Olive Garden Lunch!

We have officially finished with the first round of PARCC testing. The only test left to do is the AIR social studies test which will be taken by our Fourth graders on Thursday, March 5th. The students have worked hard and have enjoyed special treats provided by Eastview in Action.

Please be sure that you are signed up to receive the Remind text messages from me. The directions are included in this newsletter. Some parents asked why they did not receive the text from me on February 18th only to realize that they are only signed up to receive messages from WMFD. The messages from WMFD are not from me. You will know you are receiving my messages when in addition to closings and delays you receive reminders for things such as picture day, early release, green party volunteers, parent/teacher conferences, and yearbooks and much more.

Finally, please remember that the **2-Hour Early Release** for March 20th has been rescheduled. Due to the amount of snow days combined with our district testing schedules, we have added two more days to the third nine weeks. Therefore, the two hour early release for the third nine weeks will be on **March 24th.**

I hope everyone has a Marvelous March!

Sincerely,
Melissa Wigton
