APRIL

7-Return to school

For the January Green party the students celebrated with a "Frozen" theme. The students sang along with their favorite songs from Frozen while building an Olaf using marshmallows, pretzels, M&M's and chocolate chips. While in the gym the students continued the fun with a snowball fight, pin the nose on Olaf, and Olaf bowling. The students had a great time. Next month's theme will be "Rock Star", so please encourage your child to end their day on green each day so that they can enjoy the fun.

Message from the Principal

Dear Parents,

This week we will begin collecting change for "Pennies for Pasta". All money collected will help cancer patients and their families. The class that has earned the most money by February 13th, will earn a catered Olive Garden lunch with spaghetti, salad, and breadsticks.

On another note, our third and fourth graders will be taking the PARCC exams on February 23rd through February 27th. Parents, please be sure that your child is well rested and has a good breakfast each day as this is very helpful for your child to excel on the testing. It is also very important that your child is at school each day on time in order to avoid make ups. You will find the full testing schedule on the February calendar included in this newsletter.

Finally, please notice that the **2-Hour Early Release** for March 20th has been rescheduled. Due to the amount of snow days combined with our district testing schedules, we have added two more days to the third nine weeks. Therefore, the two hour early release for the third nine week s will be on **March 24th.**

I hope everyone has a Fantastic February!

Sincerely,
Melissa Wigton
