This year marked the 50th anniversary of Eastview Elementary. To celebrate the students formed a big "50" for a picture and had popsicles. Jenny Jones from Frecklesnout Photography was kind enough to come and take the picture. We will try to perfect our zero for our second go around of our picture next week when it cools off. We want to have a fabulous picture to remember this special event here at Eastview so that we can hang it proudly on the wall.

Your student should show the sticker in the book that they earned at the completion of the program. Your child will bring their book back home the same day. We will have our ice cream reward on Friday, September 23rd. Thanks so much for all of your support.

Message From The Principal

Dear Parents,

Eastview is off to another great start. Currently, our teachers are working hard to complete the beginning of the year assessments. The data from these assessments is not used as a grade. It is, however, used to create educational goals for each child. In addition to the beginning of the year testing, our building is also getting ready for our fall fundraiser. This year we will not be selling any items door to door but rather looking for sponsors for our Read-A-Thon. Our Read-A-Thon was so successful last year that we wanted to continue to use it to raise funds for our field trips and for items needed for the building. Please look for information to follow shortly. Have a great rest of the school year!

Sincerely,
Melissa Wigton
Principal

Left: Students had a great time at the AIR Success Celebration Party held on August 17th. Students were treated to an inflatable, games, crafts, music, and snacks. All students who were proficient in at least one AIR test were invited.

Regarding Building Safety:

Upon entering the building, parents are only permitted to go to the office. If you need to help your child carry something to their classroom, you must first sign in and get a visitor's badge from the secretary. Also, the turnaround in the front of the building is only to be used by the buses from 8:20-8:50 in the morning and from 3:15-4:00 in the afternoon. Please be sure that anyone dropping off or picking up your child is aware of this. Thanks!
