Happy New Year! A special thanks to our third grade parents for your support with round one of AIR testing in December. Overall, we had great attendance and the online testing went very well. Third and Fourth grade students will test again in April.

Please see the attached newsletter per grade level with some tips to help your child be prepared for the Third Grade Reading Guarantee.

As inclement weather could be in the near future, please be sure that you are signed up for the Remind messages. I will send you updates regarding school cancellations and any other event that may be happening here at Eastview. Have a great January!

Educationally,
Mrs. Wigton

Music Programs

A special thanks goes out to Mrs. Walker, the second graders, and the third graders. They all worked hard and put on two wonderful music presentations in December. The second graders performed a program entitled "The Littlest Reindeer" while the third graders performed "The Elves' Impersonator". Both programs were fantastic. What great performers we have in our school!

GREEN PARTY

Our December Green Party was celebrated with a "Grinch" Theme. Students enjoyed decorating green cookies, drinking Grinch punch, watching scenes from the Grinch movie, played Grinch Vs. Villagers and also had a pretend snowball fight. A special thanks goes out to all of the parents who volunteer to help make our green parties happen.
