Dressing For Warmer Weather: As the weather warms up, please remember to follow the following items from the building dress code:

Straps on tank tops should be at least two adult fingers wide.

Tanks with wide open holes under the arms are not permitted.

Racer back tanks are not permitted unless worn with a non-racer back tank underneath that is at least two adult fingers wide.

Shorts should be finger length long with arms fully extended.

Dear Parents,

It is hard to believe that we are in our last month of this school year. Please encourage your children to be on their very best behavior for this last month so that they do not miss out on any of the fun activities that are planned.

On May 13th we will have a visitor here from the Mansfield Public Library to share about the summer reading program. I encourage you to sign your children up and keep them reading over the summer! Thank you for all of your support which has helped our students to have another fantastic year here at Eastview!

Sincerely,

Melissa Wigton

On May 12th we will have a special "Kona Ice Day". Students may bring $2 from home to purchase a healthy Kona Ice slushy during lunch recess. Thirty percent of all sales will go directly back to Eastview. We thank you for your support!

Students were treated to Kona Ice, Hockey, and Noodle tag for the April Green Party. To left Mrs. Markley's students are shown enjoying their Olive Garden lunch earned from Pennies for Pasta.
