MESSAGE FROM THE PRINCIPAL

Dear Parents,

It is hard to believe that we are already in the second month of 2017. Each February, our building participates in Pennies for Pasta. This is a program where are students are able to help save lives by bringing in change. All money raised goes to the local Leukemia & Lymphoma Society. Students will receive a coin box that can be filled with change, dollars, and/or checks (made out to The Leukemia & Lymphoma Society). The classroom that collects the most to help the cause will receive a catered spaghetti lunch from The Olive Garden. Please see the flyer that should have gone home with your child for more information. We will be collecting money Monday, February 6th through Friday, February 17th. Last year, students raised $1,821.84. Hopefully we can do even more this year! Thanks in advance for your support!

Sincerely,
Mrs. Wigton
