

Dear Parent/Guardian,

It is our pleasure to offer an on-site compliance vaccination clinic at Madison High School on **Friday, March 26, 2021**. The clinic will be offered at school during school hours. Health Heroes vaccination clinics are completely voluntary and are offered to ALL consented students, regardless of their insurance coverage.

Who is Health Heroes, Inc.?

At Health Heroes, we specialize in on-site vaccination clinics. Vaccines are provided at a **NO OUT-OF-POCKET EXPENSE** to students. **We bill both Medicaid and private insurance; however, we never bill students or parents** for any out-of-pocket expenses or deductibles. Qualifying uninsured students can be given the vaccine, free of charge. Although student participation is voluntary, these vaccinations are recommended to help keep schools healthy and cut down on high absenteeism.

What type vaccines will be given?

MCV- Meningococcal- 12th graders, 16 and older

What do you need to do to participate?

If you wish for your child to participate, please COMPLETELY fill out, Including **ALL Insurance Information** and sign the consent form. These forms need to be returned to your child's school by **Tuesday, March 23, 2021** to secure a dose for your child.

Please check with your child's Physician if you are unsure if these vaccines are needed, prior to signing them up.

If you have additional questions or concerns, please contact the Health Heroes at 330-573-6864. For further information you can also visit our website at www.healthherousa.com. We hope to see your child in the clinic!

Warmest regards,

Brooke Harris
