Dear Students, Families, Staff, Administration, and Madison Community:

In compliance with current Ohio Department of Health Orders, we will continue to notify our school community of positive cases of COVID-19 in the Madison Local School District. However, we will be utilizing a different notification process during the 2021-2022 school year.

We will post a daily dashboard that will list the number of positive cases identified during the previous school day for each building in the district. The dashboard can be accessed by clicking on the COVID-19 Updates tab on the left side of the district webpage (mlsd.net).

Thank you for your assistance in keeping our students, staff, and community safe and healthy during the 2021-2022 school year.

In Ram Pride,

Rob Peterson, Superintendent
