

**MADISON ADULT CAREER CENTER**  
**S.N. & Ada Ford Scholarship**  
**Funding to Improve Lives in Our Community**

*There are good things happening in Richland County. Every day, in our neighborhoods, special people are doing incredible work through non-profit healthcare, charitable and educational endeavors. The effort is led by organizations and people who genuinely care about making our community a better place to work and live. But...we know that the work takes resources, and sometimes there just isn't enough.*
