Choose your weather!

In order to adhere to the guidelines established under the Ohio Department of Education's Positive Behavioral Interventions and Supports (PBIS), students have the opportunity to earn points, not lose them, each day. The following analogies will often be used to increase student understanding:

3 points: Sunny

2 points: Partly Cloudy

1 point: Cloudy

0 points: Stormy

*In a 4th grade rotation, students can earn a maximum of two (2) points in each class, so a two-point award is considered "sunny".

*In a specials class, students will either earn one point ("sunny") or zero points ("stormy").

Go for the perfect day!

Leadership Celebrations

Each quarter, students will be given a point goal in which to accumulate points. Any student meeting or exceeding the behavior goal will be able to attend the Mifflin Leadership celebration. These events will be socially distanced as much as possible by grade level and allow the students to participate in the following:

Quarter One: Bingo!

Quarter Two: Directed Paint

Quarter Three: Minute to Win It Games

Quarter Four: Kickball vs. Teachers

“To achieve goals you’ve never achieved before you need to start doing things you’ve never done before.”
