What is College Credit Plus?

College Credit Plus allows students to earn college and high school credits at the same time by taking college courses from community colleges or universities. The purpose of this program is to promote rigorous academic pursuits and to provide a wide variety of options to college-ready students.

Who is eligible?

Students in grades 7-12 who meet college readiness standards and are accepted into the college or university are **eligible** for the CCP program. Students must complete the entire application process in order to become eligible. This includes being accepted to the University **AND** meeting **individual eligibility requirements for specific courses**.

Students will be held to the exact language stated in ORC 3365.03 regarding Enrollment and Eligibility to participate in the College Credit Plus Program. Madison Local School District will not provide written consent to participate if the student is not compliant with the law in its entirety.

How does my student apply?

Students and Families must notify their school counselor of intent to participate in CCP no later than **April 1**. Students must submit **intent forms yearly**, even if the student participated in the previous school year. Intent forms are located at the end of this packet.

Each university has its own application process to admit students to the CCP program. This includes: submitting an intent form, completing an application, submitting test scores (ACT or ACCUPLACER), and meeting requirements for specific courses. **Students CAN be accepted to the CCP program and not meet requirements for specific classes. It is important that students communicate with the college in terms of eligibility. Applying to the college is the student's responsibility. Students must meet all admission requirements and deadlines of the college and high school.** After acceptance, contact the college to register for classes. Print and submit a copy of the college schedule to your school counselor no later than **May 15**.

How much does College Credit Plus cost?

Public universities cannot charge a student who takes College Credit Plus courses, unless the student fails the course. Private universities may charge a % of tuition.

According to Ohio Revised Code 3365.09 (A), a district may seek reimbursement from a student or parent if a student fails to receive a passing final grade or if the student withdraws from or drops the college course after the 14th calendar day since the course began. However, per Section 3365.09(C) no school shall seek reimbursement if the student is identified as being economically disadvantaged in accordance with Ohio Administrative Code 3333-1-65.6(B)(2).

How do college courses earn students high school credit?

Successful completion of a 3 or more credit-hour college course will equal 1 Carnegie unit earned at the high school. A two credit-hour course will earn students 2/3 of a high school credit and a one credit hour course will result in 1/3 of a high school credit.

Who is responsible for the purchase of textbooks?

Students should check with the Madison library to see if the school already has a copy of the textbook that they are looking for. Should they need to purchase a book, they can pick up a voucher from the college, and the high school will be billed.

Probation and Dismissal

Rule 3333-1-65.13 went into effect starting summer term of 2018-2019 academic year. Students can be placed on probation or dismissed based on being identified as an underperforming student. Please see the worksheet labeled Probation & Dismissal for information on this process.

What happens if my student is deemed underperforming status?

Students that earn a cumulative CCP GPA lower than 2.0 or withdraws from, or receives no credit for, two or more courses in the same term are considered underperforming and will be placed on academic probation. While on probation a student may only enroll in one CCP course. Students may not enroll in the same subject as the college course which the student earned the D or F or no credit. A student may stay on probation for 2 consecutive terms before being at risk for dismissal.

What happens if my student is put on academic probation within the CCP program?

The student may only take one CCP course and must dis-enroll from all other enrolled courses. Failure to do this will result in the student/family paying all the tuition, fees, and textbook costs and be declared ineligible from the CCP program. Students may participate in the CCP program on Probation for two consecutive terms during which time they must raise their cumulative GPA to a 2.0 or higher to be reinstated.

Can I appeal the decision to be dismissed from the CCP Program?

Yes. Students and Parents should refer to the district policy that outlines the student's rights to appeal the decision regarding dismissal from the CCP program.

Reinstatement following dismissal of the CCP Program

Following one term of dismissal, a student may submit a request to the Superintendent to be reinstated to the College Credit Plus Program. Summer shall only be counted as a term if the student is enrolled in one or more high school courses during the summer. Student's full high school and college academic record will be reviewed to determine whether the student has achieved academic progress and whether he/she will be reinstated on probation or without restriction.

The following requirements must be met to be reinstated:

1. To be reinstated on Probation the student must complete high school coursework with a GPA of 3.0 or higher for the term of dismissal.
2. To be reinstated without Restriction the student must complete high school coursework with a GPA of 3.5 or higher for the term of dismissal.

College Credit Plus Excerpt from the High School Registration Book:

Students have the opportunity to earn transcribed college credit while attending high school. This opportunity is available to all students, grades 7-12, who are accepted into institutions of higher education. Students are eligible for 10 Carnegie units/30 credit hours per academic year. Information concerning this program will be available to all students before schedules are made for the following year. **Students who wish to participate in CCP will need to complete a mandatory counseling event to be informed about the program and its updated details yearly. The Madison Comprehensive Counseling Department will host an annual informational meeting that will meet this mandatory requirement for students and their parents/guardians. *For the 20/21 meeting it will be posted on the district website to comply with COVID guidelines.** Madison Comprehensive High School has also provided access to CCP information, as well as pathways, on the district's website. Letters of intent to participate in the CCP program must be received by the Counseling Department BEFORE April 1st, per the State of Ohio's Legislation. Students are then responsible for applying, collecting and delivering all necessary documentation by the deadlines of the high school and their college of choice.

Testing

Each College/University will have specific eligibility requirements along with processes related to taking the ACCUPLACER. Students and their families are encouraged to reach out to the colleges if they have any questions regarding these admission criteria.

Madison Comprehensive High School will not be offering this assessment at the high school.

To schedule the ACCUPLACER contact the university. (Immediate results)

To schedule the ACT visit www.act.org or for the SAT visit www.collegeboard.org

For students taking Dual Enrollment at the High School

Students must pay close attention to eligibility requirements for dual enrollment courses offered at the high school. Scheduling takes place at the high school during early spring semester and it is imperative that students meet requirements prior to the end of the year to eliminate confusion in August. If you have questions related to your eligibility and wish to retest, it is the student's responsibility to communicate with the college in order to ensure the required scores on the Accuplacer or ACT by the testing deadline. **Eligibility requirements are found in the registration book. Eligibility requirements for course work that will be completed AT THE HIGH SCHOOL must be met no later than April 14th, 2021.**

****Note: You can be accepted into North Central State College's CCP Program and be eligible for some classes and not others. It is important that you verify your eligibility for specific courses directly with the college.**

Dual Enrollment Courses offered at the High School:

American History- HIST 1010 (Sem1/3 credits) HIST 1030 (Sem2/3 credits)

English- ENGL 1010 Composition (Sem1/3 credits) ENGL 2050: American Lit 1 (Sem2) (3 credits)

Pre-Calculus- Math 1110 (Sem1/4 credits) Math 1130 (Sem2/4 credits)

Calculus- Math 1150 (Sem1/5 credits) Math 1151 (Sem2/5 credits)

Physics- PHYS 1110 (Sem1/4 credits) PHYS 1130 (Sem2/4 Credits)

***Please note: It is the student/family's responsibility to verify eligibility for college coursework. It is possible to be admitted to the CCP program and NOT be eligible for certain courses.**

College Credit Plus New Student Enrollment Checklist

For students beginning CCP in Summer 2021, Fall 2021 or Spring 2022

- Attend CCP Info Meeting and meet with your school's guidance counselor to talk about your interest in the program.**
- Submit your 'Intent to Participate' form by April 1***
 - Public school students will give paper form to guidance counselor
 - Non-public and homeschool students submit form electronically with funding application

**This form must be submitted every year student intends to participate in CCP*
- Apply Online for CCP at NC State (ncstatecollege.edu/ccp)**
- Have your school send your transcript/grade report to ccp@ncstatecollege.edu**
- Make sure NC State receives your qualifying test scores (see State Score Eligibility Table below)**
 - ACT and/or ACCUPLACER scores can be sent to ccp@ncstatecollege.edu
 - To schedule your ACCUPLACER at NC State, call 419-755-4764, option 3
- Taking NC State courses being offered at your school?**
 - Meet with your counselor in Spring to plan and schedule your courses
 - If you're only taking NC State courses offered at your school, you're done with your checklist!!
- Taking courses on NC State's campus or online?**
 - Set up your first meeting by calling 419-755-4764, option 2
 - First visit:** Meet with your CCP Academic Advisor, Scott George, to talk about your academic goals, design your academic plan and discuss your New Student Orientation
 - Second visit:** Attend your CCP New Student Orientation to register for classes, get your Student ID, and more! For orientation information, visit ncstatecollege.edu/ccp/orientation

State Score Eligibility Table

Exam	Subtest	Eligible Scores	Conditional Score Range <i>(A conditional score requires student to also have 3.0 cumulative GPA or school district recommendation to participate to meet CCP eligibility)</i>
ACT	Reading	22	20-21
	English	18	16-17
	Math	22	20-21
ACCUPLACER (Next-Gen)	Reading	250	243-249
	English (Write Placer)	5	4
	Advanced Algebra	263	257-262
ACCUPLACER (Classic)	Reading	80	78-87
	English (Sentence Skill)	88	71-79
	College Level Math	55	46-54

**Some courses require higher placement scores. Talk with your NCSC advisor or school counselor*

Questions? Call: 419-755-4764, option 2. Or email: sgeorge@ncstatecollege.edu, cbash@ncstatecollege.edu

IMPORTANT 21-22 DEADLINES for College Credit Plus at NCSC

All applications, transcripts, scores and registrations **must** be received/completed by date listed

Dates have not been finalized as of the printing of this document and are subject to change

For Summer Semester 2021	
April 1	CCP Application Deadline
April 30	Transcript Receipt Deadline *This is for classes based at NCSC. Your high school may set an earlier testing deadline to meet your school's scheduling dates.
April 30	Testing Deadline *This is for classes based at NCSC. Your high school may set an earlier testing deadline to meet your school's scheduling dates.
For Fall Semester 2021	
June 1	CCP Application Deadline
June 30	Testing Deadline (for classes based at NCSC.) *This is for classes based at NCSC. Your high school may set an earlier testing deadline to meet your school's scheduling dates.
July 30	Testing Deadline *This is for classes based at NCSC or online. Your high school may set an earlier testing deadline to meet your school's scheduling dates.
For Spring Semester 2022	
November 1	CCP Application Deadline
November 30	Transcript Receipt Deadline *This is for classes based at NCSC. Your high school may set an earlier testing deadline to meet your school's scheduling dates.
November 30	Testing Deadline *This is for classes based at NCSC. Your high school may set an earlier testing deadline to meet your school's scheduling dates.

Tuition Freedom★m

SCHOLARSHIPS

North Central State College will provide up to an Associate Degree or up to 64 hours tuition free to every qualifying College Credit Plus or Career Tech student, from a partner secondary school, to continue their education after graduating from high school.

QUALIFICATION FOR FALL 2021

- Complete 8-9* credit hours of college credit.
 - Credit must be obtained through North Central State College (NCSC) College Credit Plus (CCP).
 - Credit can be obtained by utilizing current articulation agreements in place with NCSC and Career Tech Centers.
- Additionally, students must meet one of the following college readiness criteria to qualify for the scholarship:
 - Were admitted to CCP and have successfully completed 8-9* college-level credits through NCSC.
 - If using qualifying articulated credit from a Career Technical Center, and have a 3.0 for both senior-level English and cumulative GPA.
- Entering TFS students must take part in a half-day orientation program (multiple slots available April through August), and take NC State's First Year Experience course the first term of enrollment. The only exception to the FYEX course are direct admits to competitive health programs.
- Recent High School graduate (2021) and admitted to North Central State College.
- Achieve a 2.75 grade point average in all CCP classes. Career Tech students must have achieved a 2.75 grade point average in their articulated technical course work and all students a 2.75 high school cumulative GPA.
- Students who will not complete their 8-9* hours of credit until the end of spring semester may still be considered and awarded the TFS contingent on the achievement of a 2.75 grade point average and 8-9* semester hours of credit.
- Application deadline for the TFS is June 4, 2021.

* Students seeking direct admission into a health program will be required to have 9 hours.

ITEMS TO NOTE

The Tuition Freedom Scholarship (TFS) is "Last Dollar", meaning that any federal, state, or private money that is awarded to the student based on need or talent and is intended to help pay tuition, will be applied to the bill first. This only applies to grants and scholarships that do not have to be repaid by the family.

TFS recipients are required to complete the Free Application for Federal Student Aid (FAFSA) to determine eligibility for financial aid.

- For students looking at starting fall 2021 you can now file the FAFSA beginning in October 2020.
- Tuition Freedom Scholars need to file their FAFSA by the July 2, 2021 priority date.
- If you plan to start the summer 2021 semester you will also need to file a FAFSA for the 2020-2021 academic year.

TFS will pay for a maximum of 64 credit hours of courses. Any coursework done through CCP or articulated credit will count against the 64 hours of credit. Books and fees are not covered by the TFS and are the responsibility of the student and /or family.

TFS recipients are required to maintain full-time status of 12-18 semester hours beginning the fall semester after high school graduation and enrollment must be continuous (fall-spring). TFS recipients must earn 30 semester hours per year. Summer semester and summer hours are dependent on fall/spring registration. TFS recipients must maintain a 2.75 cumulative GPA.

Students will have one year (beginning the summer or fall after high school graduation) in which to gain admission into any of the competitive health programs. If students do not gain admission, they will have two choices. Either—change to a non-health major or non-competitive health program that will allow them to go full-time (unless waived) and maintain the TFS OR—Stay in the same major and lose the TFS. Once the TFS is lost it will not be reinstated. Students earning an LPN certificate can apply unused TFS funds toward the RN degree if they re-enroll within a year of graduation.

TFS students must enroll in classes that meet state and federal financial aid guidelines. Partner schools are listed on the back.

Application and Testing deadline — June 4, 2021

Acceptance deadline — July 5, 2021

FAFSA priority deadline — July 2, 2021

Any information requested by financial aid— July 15, 2021

THE OHIO STATE UNIVERSITY

MANSFIELD

The Ohio State University Academy / College Credit Plus Program

About the Academy Program

The Ohio State Academy Program is an opportunity for outstanding high school students to enroll in Ohio State classes. The Academy Program is the Ohio State implementation of the College Credit Plus program that has been created by the State of Ohio. This program is a partnership between Ohio State, the high school, the student and his or her parent(s)/guardian(s).

Academy Options

College Credit Plus (most common): Students enroll in courses to receive college credit and high school credit; the local school district is responsible for the cost of tuition and textbooks for the student. A student can complete College Credit Plus in the autumn and spring semesters, as well as summer term.

Self-Pay Option: Students who do not have funding through the state or who do not want college course work to appear on the high school transcript enroll in college credit only classes; the students' family is responsible for all costs. This option is also available for the autumn and spring semesters, as well as summer term.

Important Note: Students who attend a non-public high school or are home schooled must apply to the Ohio Department of Education (ODE) for funding once they have been admitted to the College Credit Plus program. For more information, contact your high school counselor or principal, or visit the ODE website at education.ohio.gov.

The Ohio State Academy is designed for students who have achieved at the highest levels while in high school. Admission to the Academy will be based upon a student's college readiness as measured by standardized test scores (ACT, SAT, or Accuplacer). The majority of students who enroll in the Academy are in the 11th or 12th grade. However, the program is open to exceptional students in grades 7-12; these students must meet the same admissions requirements as the older students.

Apply Online

- Go to Mansfield.osu.edu> Future Students Tab> Apply> College Credit Plus/ Academy Program
- Scroll down the page to the Application Process>click Online Application to apply!
- Go.osu.edu/mansccp or Mansfield.osu.edu/apply

Application Deadlines

Public School Students:

- Autumn semester (begins in August): Apply by May 1
- Spring semester (begins in January): Apply by October 15
- Summer term (begins in May): Apply by February 15

Non-Public School Students:

- All semesters (begins in August): March 1
 - Additional steps to be completed before June 13:
 - Apply for funding from the State of Ohio Feb 3-May 1 at 5:00PM
 - Upload an admissions letter from Ohio State to your OHID Account
 - Email Ohio Department of Education funding letter to Ohio State by June 13

Note: The funding application for the State of Ohio used by Non-Public school students is not affiliated with The Ohio State University. If you need assistance with the State of Ohio Funding Application for Non-Public school students, call the

helpline at 877-644-6338. Non-Public students participating in the program as self-pay (paying out of pocket instead of through funding from Ohio) can adhere to the public-school deadlines for each semester.

Application Process

1. **Online Application:** create account and log in to complete the application. Navigate by clicking on the tabs at the top. You will receive an email confirmation once your application is submitted.
2. **High School Information Form** completed by your high school guidance department.
3. **Official transcripts** from high school and other ccp course work at other institutions (7th and 8th grade students can submit middle school grades, high school students must submit high school transcripts)
4. **College Readiness Assessments.** Regional Campus students can submit ACT, SAT or Accuplacer scores.

Admissions Criteria

Requirements: To determine college-readiness, Ohio State will look at a student's curriculum and standardized test scores or Accuplacer scores to see if they meet the state of Ohio's Remediation Free Guidelines.

Readiness Area			
English Sub Score	English – 18	Writing -480	Writing/Writeplacer-263
Reading Sub Score	Reading – 22	Reading-480	Reading-250
Math Sub Score	Math – 22	Math – 530	Math-263

Who should participate in the Academy program?

Because students in the Ohio State Academy Program will be taking classes on campus and in classrooms with older students, it's important for families to discuss if this is the right option. Students will have a college transcript and grade point average that will follow them after participation in the program. We recommend that students who participate are:

- Motivated and mature, able to advocate for themselves and able to follow through on required work;
- Strong academic students, ready to take on the challenge of more difficult work and faster pace;
- Interested in topics beyond the subjects easily available in high school;
- Willing to devote extra time for the program, and possibly give up current extra-curricular activities.

****Admission to the Academy does not imply or guarantee admission to the Columbus campus as a degree-seeking student after high school graduation****

Course Registration

Students who are admitted to the Academy Program will be invited to an orientation program shortly before the start of their first semester of enrollment. Students will meet with the Academy advisor and schedule classes after placement testing.

Course enrollment may be limited by the academic departments' prerequisites. Also, course enrollment will be limited by the number of seats available in the course. Students who are pursuing their Ohio State degree will be offered first choice of courses before Academy students are able to register for classes.

Accuplacer

If a student does not meet the Ohio's Remediation-Free Guidelines or is not taking the ACT/SAT, the Accuplacer will be used to determine admissions eligibility. Please note that we cannot accept Accuplacer scores from another institution or high school. The Accuplacer test needs to be proctored by Ohio State for the scores to be used for admission into the CCP Program at OSU. To register for the test, go to go.osu.edu/mansccp and click "Accuplacer Registration." You cannot take the Accuplacer until you have submitted your application and your application documents are sent to Ohio State.

Contact Information

Kayla Smith
Admissions Counselor & College Credit Plus

Ginny Corso
Academic Advisor and Program Coordinator
corso.1@osu.edu (419) 755-4232

College Readiness Test Scores

All College Credit Plus students are required to submit scores to indicate college readiness.
 (For the test score matrix, please refer to the OSU Academy webpage: <https://academy-ccp.osu.edu/apply>.)

A. This applicant has taken an ACT/SAT College Readiness Assessment and his/her qualifying scores are listed below:

Readiness Area	ACT	SAT	Testing Date(s)
English			ACT Date(s):
Reading			
Mathematics			SAT Date(s):
Science		N/A	
Composite		N/A	

B. This applicant has NOT already taken or is NOT currently registered to take an ACT/SAT
 (see note below)

C. This applicant is planning to attend The Academy at a Regional Campus and will need to take an Accuplacer test at OSU (*Note: Ohio State does NOT accept Accuplacer results from other institutions)
 (see note below)

NOTE: If B or C was selected, please use the following link to complete the OSU Academy College Readiness Assessment Information form to let us know the student's plans for completing the required assessment.

Recommendation

What are the student's goals for participating? Describe the student's personal characteristics, including work habits, intellectual ability, persistence and ability to balance multiple commitments. These additional comments are an important part of the holistic review for the Columbus campus and are used when helping students select appropriate course work. *Attach additional pages if more space is required.*

Certification: I have fully advised this student and his/her parent(s) or legal guardian(s) of the available options and ramifications involved in the College Credit Plus program.
