August, 2022

Madison Local Schools Community,

Per guidance from Richland Public Health and the Ohio Department of Health, we will begin the 2022-23 school year with the same COVID-19 protocols and procedures that were in place to conclude the 2021-22 school year:

- Students or staff who test positive for COVID-19 must stay home for a minimum of five (5) days, and may return to school on day six (6) as long as:
 - they are fever-free,
 - their symptoms have improved,
 - and they wear a mask for five (5) days.
- Students or staff who are direct contacts may remain in school as long as:
 - they do not have symptoms,
 - and they wear a mask for 10 days after the last date of exposure.
- Students or staff who are direct contacts may continue to participate in extracurricular activities as long as:
 - they do not have symptoms,
 - and they wear a mask when able for 10 days after the last date of exposure.
- Masks **are not** required on school buses/school transportation.
- Madison Local Schools **do not**:
 - maintain a COVID-19 reporting system,
 - have a designated COVID-19 coordinator in the district,
 - notify parents of positive COVID-19 cases among staff, students, or coaches,
 - nor will we report positive cases of COVID-19 to Richland Public Health.

Thank you for your cooperation and understanding in these matters.

--Rob Peterson, Superintendent
