Coin Drive

Our preschool classrooms raised \$1,455.00 during our coin drive! Since the coin drive was so successful all preschool rooms were able to have a cupcake party in addition to the pizza party. Rm 7 had as the winners of the coin drive!

Field Trip!

Preschool was donated a field trip by The Optimist Club to the Ohio Bird Sanctuary! The Career Tech students were able to accompany them. They loved seeing the animals and getting out into nature!

Valentine's Day!

The whole building was a buzz with Valentine's Day Celebrations. We were beyond blessed by the amount of donations from families for the parties! Fun was had by all!
