JANUARY 2024

Holiday Festivities

Last month was buzzing with energy as we enjoyed all of the holiday festivities! We had Spirit Week, including pj's, flannel and stripes. Then we had our Polar Express Day hosted by the Early Childhood Career Tech students. Our Holiday Festival was a success even with the first big snow coming to town that evening!

Coin Drive

This month our preschool classrooms are having a coin drive to raise money for upcoming field trips. The classroom that collects the most money will get to have a pizza party!

Professional Development Day

During our December PD Day, this year staff learned about the basics of Conscious Discipline, Children's Temperament and Communication Styles. Along with enjoying staff bonding activities for the holidays.
