STUDENT SPOTLIGHTS

Our SRO, Deputy Ivy, met with all of the 6th – 8th Grade Physical Education Classes to talk about the requirements to work in Law Enforcement. The students then completed a couple of the physical fitness tests that Deputy Ivy had to complete when in the Academy.

Mrs Aron's 6th grade general music classes were treated to a special musical performance by two Oberlin Conservatory guitar students, Suvan Agarwal, of California and Nik Divall, of Australia. Each performer chatted with the students, presented solos from their upcoming degree recitals, and took questions. The kids heard not only classical guitar music, but music for the exotic 17th-century theorbo as well—a 7-foot long lute with 14 strings.
