PARENT/TEACHER
CONFERENCES

Happy Spring!

Thank you to everyone that helped support our Pepperoni Fundraiser in March! We sold 1,850 rollers for a total of \$4,554 and we profited \$1,870!! Our school will be able to purchase two sensory paths for our hallways, loop scissors and headphones for our preschool students, and water/outside activities for all of our children this summer! Thank you so much again for all of your support!

Spring is finally here and we are very excited to take everyone outside as much as possible to enjoy the beautiful weather. Ms. Becky, the Toddler 2 teacher created a raised garden so that children can plant vegetables and herbs this spring and summer. We were very fortunate to have the carpentry students at the Madison High School build this design for our children. They will be dropping it off very soon, and we are very excited to receive it to begin planting our garden! We would like to thank Mr. Wigton, the Carpentry Instructor at the Madison High School, and his students for helping us with this big project!

Sincerely,
Mrs. Repp, Principal

**Ms. Laura's
Preschool class
colored eggs using
paint, plastic tubs,
paper, and plastic
eggs! Very creative
and lots of fun!**

**What is your favorite
toy to play with
outside?**

**"I like to jump on my
trampoline!"**
