## WE LOVE THE SUNSHINE!

All of our children and staff have enjoyed the beautiful weather we've had throughout this month. Being outside is our favorite activity. Especially when the sun is out!

We began April with a Mindfully Moving large group class. During the class the preschool students engaged in team building activities. They also learned about moving their bodies to be healthy and stretching properly before exercising.

Next, the preschool students had an Easter egg hunt on the playground. Thank you so much to our generous families and staff that donated all of the eggs and prizes for the children to enjoy! We are very grateful for your

generosity to make this event special every year.

Ms. Brindi, the Madison Children's Librarian came to visit us. She always brings fun books and activities to share. This month she read the book, Llama Llama Hippity-Hop and Munch. Children learned new songs and rhymes while they moved around the room. We always look forward to her visits!

April is National Child Abuse Prevention Month and April 12th was the national day people wore blue to take a stand against child abuse. Staff and students wore blue to show their support. We also hung blue ribbons on our trees in the front of our building to support this important

cause during the month of April. Thank you to everyone that wore blue!

Preschool registration has begun for new enrollment. If you are interested in enrolling your child at MECLC, please contact Heather Addington, Program Coordinator at 419-589-7851. This is only if you are a new enrollment. Current preschool students do not need to enroll again for the fall.

Safety Town registration began on April 17th and will go to May 19th. All registration forms are due by May 19th. No late registrations forms will be accepted. Spots are limited. All MECLC preschool students in classes 3, 4 & 5 received a registration form in their child's mailbox. Please stop in the office if you need a new one.
