MERRY CHRISTMAS!

Our annual Holiday Festival was a big success! Families spent the evening playing games, jumping in the bouncy house, visiting with Mr. and Mrs. Claus, making ornaments, decorating Christmas cookies, and enjoying a dinner. We also had Anne Vermillion from Catalyst, Robyn McNulty from Madison Adult Ed., and Brindi Ford from the Madison Library to provide community resources for our families. Children also enjoyed a Grinch craft with the Librarian, Brindi. Thank you so much to our staff for creating all of the activities for our families. Also, a big thank you to Ms. Becky, Mrs. Brandt and the Child Development students for creating the amazing Whoville scene for the Mr.

and Mrs. Claus backdrop for pictures. The display was incredible and very colorful!

Holiday class parties will be on December 15th. If you would like to donate an item for the party, please check with your child's teacher. There should be a donation list posted by your child's classroom door. The Child Development program will have their Grinch celebration for preschool students on December 16th. Please have your children wear their Grinch or green attire.

December 21st will be our last day of school before winter break. We will be wearing our pajamas that day. Please send your child to school in their pajamas too.

Since we are an ODE licensed preschool and childcare program, we are required to take children outside if the temperature is 32 degrees or above for gross motor play. The windchill is also taken into consideration. Please make sure you bring a winter coat, hat, gloves and boots daily for your child.

There has been a lot of viruses going around the building. Please do not send your child to school sick. If they have a fever 100.0 degrees or higher then they will be required to be picked up and fever free without medication for 24 hours before they can return. Reminder we are closed for winter break 12/22 - 1/2. Merry Christmas from all of us at MECLC!
