Announcement

Mrs. Repp, Principal

We have a **BIG** announcement to make about our before/aftercare (Latchkey) school age program! We will be moving our Latchkey school age program into the elementary buildings this upcoming school year 2021-2022 beginning August 19th.

There will be 40 open spots at each building location (Mifflin, Eastview, and Madison South). This will provide a combined 120 student openings in our Latchkey school age program! If you want more information about the new Latchkey school age program please contact Donna Atwell, Program Coordinator at 419-589-7851. Enrollment starts now for all current MECLC families, and enrollment will open to the district on July 14th.

Summer fun!

We love water days!

We want to thank all of our families that donated water and outdoor toys for our summer program. All of the children have enjoyed playing with them. Everyone looks forward to water day, and we are hoping to add more outdoor items very soon!
