5th through 8th Grade School Newsletter for the month of May 2023.

8th grades students traveled to Washington D.C. this month! During the trip students had the opportunity to view historic monuments, sites, museums, and other notable buildings at our nation's capital. Thanks to our students who did a great job while on the trip representing our school and district!

Congratulations to the 7th and 8th grade band and choir for receiving superior ratings at the Trills and Thrills adjudicated event at Cedar Point this month! Both ensembles performed in front of experienced music judges who provided the groups with written and verbal comments. Afterwards students had the opportunity to enjoy the park the rest of the day. Go Rams!

8:30-2

15 – 6-7pm, Open School Night

15 – 7pm, 8th Grade Washington DC Trip
Informational Meeting in auditoria

17 – First Day of School!

Nurse Notes

Before 7th grade, students are REQUIRED for school attendance by the State of Ohio to have the Tdap and Meningococcal vaccine. Ohio law allows medical, religious, and philosophical exemptions. **Proof of vaccination or exemption must be turned in before picking up their 7th-grade schedule next year.** Vaccines can be obtained at the Health Dept, your physician's office, or some pharmacies.

If your child has completed the Tdap and Meningococcal vaccines already, please send a copy to school.

Thank you!
Nurse Kayla Robinson

Selected 7th and 8th grade students attended the LeaderRicheiland program this month at the Mansfield branch of the Ohio State University!

Final Forms Notes:

*FinalForms are currently open for the 23-24 school year. You will need to select the 23-24 school year in your account.

*If you change your address over the summer you must provide proof of residency to our office as well as update your address in FinalForms.

*The bus garage is asking that any current student, requesting transportation for the 23-24 school year, have the Transportation Information Form completed in Final Forms by June 30th.

May is Mental Health Awareness Month! Staff from CACY (Community Action for Capable Youth) were available during student lunches to hand out breathing bead kits. They are used as part of a deep breathing activity for healthy focus skills.

Have a safe and enjoyable Summer! GO RAMS!

Last day of School!
