

STUDENT SPOTLIGHT

DATES TO NOTE

MAY

- 21: Q4 Leadership Celebration
- 24: Virtual Talent Show
- 25: Mifflin's Fun Field Day
- 26: Awards Ceremonies, K-4
- 26: Early Dismissal, 1:30 p.m.

AUGUST

- 19: First Day of School, 1st-4th
- 26: First Day of School, K

SEPTEMBER

- 6: No School, Labor Day

Mifflin's annual **Fun Field Day** will be on Tuesday, May 25th! Students in all grade levels will participate in field events, a scavenger hunt, and a tug-of-war contest between classes. It will be more important than ever for students to have enough water throughout the day. The class in each grade level that earns the most event points will earn a large trophy that the teacher can display all next school year. Good luck to each class!

MADISON SUMMER CAMP

All current students in grades K-4 are invited to be a part of Madison's Summer Learning Camp. To register please click the link at the top of the Madison Schools website titled Elementary Summer Camp 2020-21 Sign-up Form or return the paper copy being sent home with your child. Deadline to sign-up via the website or paper form is Monday, May 24th. Preference of available spots will be given to academic need and timing of enrollment into Summer Camp.

NURSE'S NOOK

Thank you parents for your patience during this unusual school year. Please remember to pick up all student medications from the clinic, as they will be discarded on the last day of school. This includes prescription and over the counter medications. If your child will require medication next year, please complete the required paperwork prior to the first day of the new school year. Medication forms can be obtained on the school website or the school office. All medications must be brought to the school in the original pharmacy container by a parent/guardian. If your child has a special diet/health concern, please contact me so that a health care plan can be created for the next school year. Have a safe, healthy, and fun summer!

- Nurse Bridget

PRINCIPAL'S CORNER

On behalf of all of us at Mifflin, I want to communicate the most sincere THANK YOU for being integral in the successes we have had. Together, we navigated uncharted waters where new rules had to be implemented to protect students and staff alike. While the future may remain uncertain, I have more confidence than ever in our ability to unite as a community during these trying times. Thank you!

In my four years at Mifflin, I am pleased to report that this had been our best year yet. Through our PBIS initiatives including house competitions, pizza parties, and leadership celebrations, discipline has fallen by 39% in comparison to an even shorter school year last year when students were not in the building. What a cause for celebration! This is due to our outstanding students and staff that seek out the positive every day. If you are interested in being a part of our PBIS team for next school year, please reach out to us.

Have a safe and fun-filled summer! Keep reading over the summer months!

WATER & MASKS

Just a friendly reminder to please continue to send water with your child to school along with a mask to wear. Water fountains are not permitted to be turned on, and with warmer weather, students need to remain hydrated throughout the school day. Thank you!

HOUSE NEWS

At the time of the publication of the newsletter, the house points for Q4 are as follows:

- 1st Place: Sabedoria, Blue House
- 2nd Place (tie): Tamaa, Green House
- 2nd Place (tie): Tharros, Red House
- 4th Place: Fidélité, Yellow House

While you receive more information next year, Mifflin is increasing the amount of points each student can earn each day to 10 starting in August. Students will try to earn a "perfect 10" through their positive behavior choices and effort shown in the classroom.

COUNSELOR'S CENTER

The end of a very strange school year is near and I am so proud of our Mifflin kids. They adjusted well to the changes in our social norms this year. From wearing masks, to socially distancing, they did their very best and have earned their summer break. One thing I would like to continue to stress to your family, as summer approaches, is the importance of all our kids knowing their identifying information. This includes their addresses and phone numbers. I quizzed all of our kindergarten and 1st graders and few knew how to contact their parents or guardians in the event they were to get lost. With more things opening up, and Covid restrictions being lifted, I encourage you to teach your children your phone number before heading out to enjoy summer events this year. Have a great summer!

- Mrs. Shakan. School Counselor

@CONNECT

As we conclude our school year, please continue to follow us on social media for the most up-to-date events and information. Remember to connect to us using the

Bloomz (please reach out to your child's teacher)

TRIVIA BOWL

Students in grades 1 through 4 were selected to participate in our annual Trivia Bowl where they were given very difficult, above grade-level questions about reading, math, science, and social studies. Students once again rocked it by displaying how their intelligence is unlimited! Congratulations to all of our houses represented in the content as well as the winners of each grade level!
