MIFFLIN'S NOT-SO-SCARY HARVEST PARADE

We are excited to announce the creation of the MNSSHP! On October 30th, students (and staff!) will be permitted to wear costumes to school. During this day, students by grade level will be having a harvest parade around the school grounds. Rules for costume wearing include nothing violent or gory, no weapons or lookalikes, and costume masks cannot cover the face. Please note that the school has the final say as to the appropriateness of any costume worn.

NURSE'S NOOK

With the temperatures getting cooler, we ask that the students not wear jackets or hats/head coverings if possible until exiting vehicles in the morning. This will help in avoiding elevated temperatures when being checked upon arrival. This will also alleviate parents from having to pull over and wait for students to be reassessed. Thank you for your understanding in helping us!

PRINCIPAL'S CORNER

I am humbled by the Mifflin staff and its effort in earning the distinction of being a Purple Star school. It is due to a shared passion to serve those who serve us that have allowed us to be given this honor. Even though we have received the award, our mission to continue serving these students and their families each year. We are currently discussing how to continue our new Mifflin traditions under COVID-19 guidelines, but rest assured that we will do everything in our power to provide supports for our military-connected youth and their families.

Also, thank you for making the PTO Mumkins sale a huge success yet again this year! According to the PTO, we outsold the number of items purchased from last fall; please consider attending the next virtual PTO meeting on October 7th at 5:30 to help the PTO plan on how to best allocate these funds. Check your Bloomz account or Mifflin social media accounts for the link!

FREE MEALS

Through December 31, 2020, breakfast and lunches are now free of charge for all students at Mifflin! The Ohio Department of Education was recently granted approval to do this for any district participating in the National School Lunch program. This decision was made to assist students during the COVID-19 pandemic and to meet the holistic needs of each student. Remember, these meals are free to all students!

HOUSE NEWS

As we pass the halfway point in the first quarter, 4th place Sabedoria (blue) currently is in the lead for the most positive referrals to the office. If this continues, they will capture the lead at the end of the quarter with the positive referral bonus! Remember, the house with the most points will earn a pizza and ice cream party!

At the time of writing this newsletter, the following shows the progress of each house:

- 1st Place: Tamaa with 5,884 points
- 2nd Place: Fidélité with 5,825 points
- 3rd Place: Tharros with 5,698 points
- 4th Place: Sabedoria with 5,675 points

COUNSELOR'S CENTER

This week, 2nd graders were able to create mask self-portraits of themselves with our school counselor. This lesson was to remind them that, even though we wear masks now, we are still the same awesome, smart, amazing people we always were. No mask can hide who we are on the inside!

MIFFLIN ELEMENTARY, A PURPLE STAR SCHOOL!

It is our absolute privilege to announce that Mifflin Elementary has been awarded the **Purple Star** designation for our work and commitment to serving military families. This prestigious title is only awarded to a handful of schools by the Ohio Department of Education that has shown evidence of supporting the social, emotional, and academic needs of Ohio's military-connected youth. We are honored to accept this award on behalf of our Mifflin families who have dedicated their lives to serving our country. Mifflin remains committed to these students and their families and will continue to promote and honor them each and every year!
