5th through 8th Grade School Newsletter for the month of October 2022.

This month we had the Reality Store activity with all of our 8th grade students! The Reality Store is a partnership with local businesses and community which come into our building to help simulate the reality of adult life. Students are given a career with a salary and have to navigate paying for a car, housing, childcare, and maintaining employment. We are thankful for the guests that came to our building from our local area to help provide this opportunity for our 8th grade students!

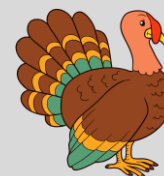

We also had a very productive professional in-service day this month! We had a couple of our staff members present to the rest of our staff on that day to help build our professional knowledge and capacity as a staff. The day was also used to complete trainings as part of state mandates and requirements.

UPCOMING DATES:

NOVEMBER

- 7 – Lifetouch Picture Makeup Day
- 11 – 2nd 9 week Interims go home
- 15 – College Credit Plus Meeting, 7pm

@22e9a

Message From The Principal

Dear Parents,

We are thankful for the opportunity to communicate with the many parents who were a part of parent/teacher conferences!

Please do not hesitate to reach out to any of our teachers if you have additional questions. There is a list of our staff's email addresses through a link on our building website.

Have a great rest of the school year!

Sincerely,
Mr. Muro
Principal

In 7th grade Social Studies classes this month students had the opportunity to create projects that represented the time period as part of the Ancient Greece Unit they have been studying this month. These were projects that students created at home and gave the students independency to use their skills in arts and crafts, wood working, and metal fabrication. This is a picture of a few of the very creative ideas that students came up with!

This month we had our first PBIS Incentive (Positive Behavior Intervention and Supports). Students had the opportunity to play minute to win it games, purchased food, and participate in a dodgeball tournament!

Special thanks to students in the grades 7/8 select choir for performing at the senior citizen lunch this month! The new construction on the Ramble Inn was completed last month and is a very welcoming space for meetings and lunches.

Reminder that drop-off and pickup occurs at the front of the Middle School. You can access a map of the drop-off and pickup procedure on our website by clicking on the link "July 2022 Summer Newsletter to Parents and Students." Student drop-off and pickup is not permitted at the library. Reminder also that to ensure student safety, cars picking up students must have a green security sign issue from our office with that student's name on it placed on the dashboard of the car as you drive up to pick up your child(ren). **Thank you for your help and consideration!**

This parking lot for library patrons only, drop-off and pickup not permitted.
