

September 2020

Dear Parent/Guardian,

It is our pleasure to offer an on-site compliance vaccination clinic, at your student's school on **Thursday September 17, 2020**. Clinics will be offered at each school location during school hours. Health Heroes vaccination clinics are completely voluntary and are offered to ALL consented students, regardless of their insurance coverage.

**Who is Health Heroes, Inc.?**

At Health Heroes, we specialize in on-site vaccination clinics. Vaccines are provided at **NO OUT-OF-POCKET EXPENSE** to students, parents, schools or local/state government. We bill both Medicaid and private insurance; however, we never bill students or parents for any out-of-pocket expenses or deductibles. Qualifying uninsured students can be given the vaccine, free of charge. Although student participation is voluntary, these vaccinations are recommended to help keep schools healthy and cut down on high absenteeism.

**What type vaccines will be given?**

MCV- Meningococcal ACWY: 12<sup>th</sup> graders, 16 and older

**What do you need to do to participate?**

If you wish for your child to participate, please COMPLETELY fill out and sign a consent form. These forms need to be returned to your child's school by **Monday September 14, 2020** to secure a dose for your child.

If you have additional questions or concerns, please contact the Health Heroes at 1-205-609-0268/[OH@healthherousa.com](mailto:OH@healthherousa.com).
