5th through 8th Grade School Newsletter for the month of September 2022.

We welcome Deputy Nedrow to our campus! Deputy Nedrow is the new District School Resource Officer from the Richland County Sheriff's Office. This month Deputy Nedrow spent time in our 6th grade technology classes discussing the importance of using social media safely. Even though social media can be a fun way to connect with others, Deputy Nedrow discussed the danger of sharing private information. Additionally, topics discussed also included not sharing your location with people you don't know, and not clicking on or searching inappropriate links.

Beginning this month students can now receive free tutoring after school on Tuesdays and Wednesdays until 3:40pm. If a student would like to register to attend tutoring they will need to register at the following link: https://docs.google.com/forms/d/e/1FAIpQLSfUa5chx-l8U05yVd-KSDo8nimiDhJ2O_x_8gqLdqjQgB-iw/viewform
If you have questions about tutoring please contact guidance counselor Mrs. Eberst @ meberst@madisonrams.net.

Message From The Principal

Dear Parents,

Communication is important to us as we look forward to parent/teacher conferences next month! This is an important opportunity at the beginning of the school year to discuss student progress and discuss plans for success for students. Please see the dates listed on the front of this newsletter.

Reminder that also in the month of October we will have our school pictures. Picture order information was sent home with students on Wednesday, September 28th. You can also order online at mylifetouch.com (Picture Day ID: EVT3349D4)

Go Rams!!
