

MADISON RAMS 2017 FOOTBALL PARKING PASSES

The Athletic Department will be offer parking passes for the 2017 Madison Rams football season. These parking passes will allow you to park near the stadium, even if you arrive late to the game. Your pass will grant you a quick and easy way in and out of the parking lot. The first 120 fans who take advantage of this offer will be able to park in the fenced in area at the south end zone.

The passes will sell for \$20.00. This will include parking for every home game. Those who choose not to purchase the pass will not be charged to park, but you will not be guaranteed a spot near the stadium. Anyone interested should return this form to Mr. Rickert at the high school, with payment. Please make checks payable to the Madison Athletic Department. All profits made will go toward the turf renovation project. GO RAMS!!!
